Campbell Memorial Scholarships
The Eleanor A. Campbell Charitable Fund (formerly the Deering Foundation), a nonprofit that has awarded more than $500,000 in scholarships to students in Weare, Deering and Hillsborough, is accepting applications for this year’s scholarships through April 15. Students who are legal resident of Weare, Deering or Hillsborough and who are attending or will attend an accredited postsecondary institution may apply and may receive up to two scholarships.

The Eleanor A. Campbell Memorial Scholarship is awarded to a student planning to study medicine or health. The Hugh Sherwood Scholarship is awarded to a student of journalism or political science. The Robert Tyrell Scholarship is awarded to a business student. Other awards are made to students in a diverse range of fields of study.

A committee reviews all complete applications received by April 15. Scholastic achievement, participation in school and community activities, citizenship, good character and financial need are considered. References from faculty and others who know the student are also reviewed.

Dr. Eleanor A. Campbell devoted her life to providing health care services to the poor, opening the Judson Health Center in lower Manhattan that is still in operation today, where she essentially worked without pay until she retired. She spent summers in Deering, where she continued her work, opening the first rural health center in New Hampshire. She bequeathed funds and property for the continuation of her work, designating funds for scholarships to assist with the costs of higher education and training. JSRHS/Hopkinton Robotics Takes 2 Trophies
The John Stark/Hopkinton Robotics Team, OZRAM FIRST Robotics Team 1922, had an exciting weekend at the Southern NH District Competition at Bedford High School on March 16 & 17. The team placed 2nd overall in the qualification matches, enabling them to choose two teams for their alliance for the Sunday afternoon finals. The alliance was strong and came in 2nd place overall after some very close and exciting matches.

OZRAM Team 1922 took home the Finalist Trophy and the Autonomous Award, which celebrates the team that has demonstrated consistent, reliable, high-performance robot operation during autonomously managed actions. Evaluation is based on the robot’s ability to sense its surroundings, position itself or onboard mechanisms appropriately, and execute tasks.

Letters:
How to Contact Representative
Several weeks ago I had mentioned the possibility of having a Community Facebook page. I had no idea how many emails I would be receiving from constituents, lobbyist and residents of our State in regard to Bills and concerns they have. It is a fulltime job just to keep up with the 100 or more emails that I receive a day. For that reason I answer my constituents first and have decided that I will not have a Facebook page but would encourage you to contact me at my State email address, which is JP.Marzullo@leg.state.nh.us. I would also suggest that sending a form letter will not get my attention but I am more likely to respond to a thoughtful email from you with your questions. Thanks for understanding. Respectfully, Representative JP Marzullo, Hillsborough 2, Deering/Weare

Payeur Receives DECA Emerging Leader Honor Award
John Stark Senior Owen Payeur was recognized by DECA for the Emerging Leader Honor Award for 2019, one of only two students in New Hampshire to receive this honor.

This award recognizes DECA high school seniors studying marketing, finance, hospitality, and management while also being an academically prepared, community oriented, professionally responsible, experienced leader through their participation in DECA.

To be recognized for this award, the DECA member must participate in various activities such as promoting DECA in the community, participating in a school-based enterprise, and competing at a DECA conference, among other experiences. This emerging leader must have completed a marketing, business management, entrepreneurship, finance or hospitality and tourism course and have a 3.2 cumulative GPA or higher for the academic portion of the award. The requirements for this award also include approval from the member’s advisor, counselor, principal, and parents.

Owen Payeur was also just awarded an Air Force ROTC scholarship winner. He plans to study mechanical engineering at UNH.
