Love of Learning Gains Weare Vet
Unprecedented Certification

BusinessWire has reported that Dr. Michael Dutton of Weare Animal Hospital is the first ever four-time American Veterinary Medical Association Boarded Veterinary Specialist with his recent certification for Reptile and Amphibian Practice, only the thirteenth ever to receive this certification. He is already certified in Canine & Feline Practice, Avian Practice, and Exotic Companion Mammal Practice.

The AVMA is a not-for-profit association representing more than 93,000 veterinarians working in private and corporate practice, government, industry, academia, and uniformed services.

Dr. Dutton stated that, “Veterinary medicine is my passion. I love to learn more and expand my skills for the benefit of my patients.”

The Weare SAnimal Hospital, established in 1992, is accredited by the American Animal Hospital Association, and serves both common and exotic pets with everything from routine health care to surgery. The practice includes four veterinarians, as well as many vet techs and veterinarian assistants.

Weare Democrats to Caucus
Elect Officers and Delegates
Wednesday, March 13, 7pm
Weare Public Library Sawyer Room

Weare Democrats will meet to elect town Democratic officers and delegates to the New Hampshire Democratic Party state convention.

“New Hampshire Democrats are already excited about working to elect responsible leaders for New Hampshire and Weare. Our caucus provides a great opportunity for anyone who wants to be part of New Hampshire’s unique grassroots-style politics,” said Derek Winsor, the Weare Democratic chair.

There is no cost to attend the caucus. Any registered Democrat, regardless of past political experience, may run for an officer or delegate position.

JSRHS Presents Austen-Based Play

John Stark Regional High School Stage Company is proud to present their next theatrical production March 14-16 at 7 pm. Tickets are $5 for students and seniors and $7 for adults and may be purchased at the door or reserved with Geri Lawton in the main office at 529-1601.

The production is a period comedy based a novel by Jane Austen. In 1790s England, a young lady (played by Abigail Sahlin) and her younger sister (played by Abigail Burke) navigate romance and life in a world where society is watching at all times. Through hard times, the sisters experience love and heartbreak for the first time and each in their own way.

“This show is unlike any production I have ever been a part of. It is so unexpectedly clever and comedic,” said Victoria Drake, publicity manager for the show, who also plays the role of the gossip in the production. Also performing are Kasey Arnold, Sean Boisvert, Eli Bryant, Lindsey Brunelle, Ryan Flaherty, Summer Giroux, Erik Hilyard, Jaiziah Hooper, Jillian LaBrecque, Cameron Lombard, Chaeleigh Ouellet, Riley St. Amand, Alyssa Sargent, and Carson Woodward.

This is part of SAU 24’s Community Education Series, programs designed with parents and community members in mind. Join us at rotating SAU 24 schools to explore academic, wellness, and social topics. Free. If you have questions about any of the programs or have suggestions for a future one, please email or call Jacqueline Coe, Assistant Superintendent SAU 24, Jackie.Coe@sau24.org, 603-428-3269.

### Ecstatic Dance
facilitated by Cammie Austin
**Friday, March 15, 7-9pm**
Riverside Martial Arts and Wellness
One time $15/person. Ecstatic Dance is not a class but rather a facilitated dance where we come together to explore and connect with body, mind and spirit through music, movement and community. The dance floor is a sacred space to have fun and connect to the rhythm of your life. Warm up starts at 7pm and is approximately 30 minutes long. Warm up is the time to settle into your body and come into the moment. Warm up can include stretching and slow movements. After warm up we gather for an opening circle then dance for 75 minutes. Cammie will gently facilitate throughout the dance but overall it is free-form. Ecstatic Dance is a Drug and Alcohol-Free Space. Please also refrain from photos, video, and shoes and scents. Third Fridays of the month. www.riversidenh.org, 529-5425.
Invention Convention Winners

Center Woods Elementary, Center Woods Upper Elementary, and Weare Middle Schools held their Invention Conventions, part of the Young Inventor’s Program administered by the Academy of Applied Science in Concord. The Young Inventors’ Program is a K-12 Project-based learning program that provides a hands-on STEAM (Science, Technology, Engineering, Arts, and Math) educational enrichment opportunity to budding youth inventors.

There were three categories of inventions: General (solves everyday problems), Challenge (The Next Hit Toy), and Rube Goldberg Machines (a complicated machine that accomplishes a simple task using a chain reaction). All students presented their inventions to a panel of staff and community member judges, enhancing both their social and public speaking skills.

Winners in the General Category were Landon Fairhurst, 1st grade, for the Dartbuster; Emily Austin, 2nd grade, for Asthma Rescue 3000; Grace Meisser, 3rd grade, for The Claw-inator; Autumn Duquette, 4th grade, for The Foot Checker; Sydney Barrieau, 5th grade, for her Shower Chandelier; Sadie McCallum, 6th grade, for The W.O.W.; and Fiona Winsor and Cassidy Luger, 7th grade, for Hoodphones.

Winners in the Challenge Category were Everett Chapman, 2nd grade, for The Backpack Sled; Gabe Mathieu and Owen Veilleux, 4th grade, for the Fidget Wand/Fidget Wand Jr.; Sadie Sargent and Savannah Chapman, 5th grade, for their Ball at Dark; and Khloe Burgess, 6th grade, for Klo-Motions.

Winners in the Rube Goldberg Machine category were Ashley, 2nd grade, and Hailey, 3rd grade, Thellen for their Ball Blaster. The Kids Vote results were Ashley and Hailey Thellen for their Ball Blaster in 1st place; third grader Hailey Van Bost for the Watershield in 2nd place; and second grader Maddix Cyr for his Inside Feeder in 3rd place.

Invention Convention inventions must be designed and built by students, but teachers can support them in brainstorming ideas, developing a plan, and assisting them with writing. Students may work on inventions on their own or in pairs. The invention idea must come from the student, but parental support in the project is highly encouraged. Winners will compete at the Regional Convention on March 31 at Southern New Hampshire University.
