Using the library’s new laptop computers as a portable classroom, Computer 101 explores one topic from a very basic level each session, with plenty of time for questions and hands-on practice. April’s topic will be “Password Purgatory”. Seating is limited, registration required. Call the library at 529-2044 or stop by to register.

Litter Pick-Up Day
It’s that time of year again. For the past 30 years, the Historical Society has encourage residents to adopt a section of road near their home and keep it litter free. But in the past 15 years we have seen a need to have a litter pick-up day in the spring to help clean up the sides of the roads in town. So with that said and the snow banks gone we will have a litter pick-up day the last Saturday in April, with a rain date of the first Saturday in May. Blue bag are available at the Town Office and at the Library along with a signup sheet. If everyone picks up a section of road in town we can have the town roads cleaned in one hour. Please help.
