JSRHS Walks for Inclusion
The Best Buddies Chapter at John Stark raised $792 for the organization with 27 walkers at the Best Buddies Friendship Walk in Concord on May 11. This New Hampshire walk was part of the number one walk in the country raising awareness and funds to support inclusion for individuals with intellectual and developmental disabilities (IDD). Jess Colburn, advisor to the Best Buddies Chapter at JSRHS, also read her Best Buddies Friendship Walk Essay contest winning at the event. Best Buddies International and the chapter at John Stark are student-run friendship clubs which create buddy pairs between students with and without disabilities.

25th Annual Town Wide Yard Sale
Saturday, June 1, 8am–2pm, Rain or shine
Maps ($2) available at the Stone Memorial Bldg
4 N. Stark Hwy in the center of town
The Town Wide Yard Sale is sponsored by the Weare Historical Society. The Historical Society raises funds through selling space on the map and space at the Stone Memorial Building lawn, or at the Middle School if it rains, and then selling the maps. The Weare Historical Society has a space on the lawn and raises money from the donations members and others have made to their yard sale site. Please, if you are having a yard sale on that day, pay your fee and get on the map. It will draw more people to your sale, and help support the organization that has done a great deal of work to bring people into town that day. To be on the map, fill out a form available online at wearehistoricalsociety.org, or at the Weare Public Library, Town Office, and Post Office.

The Weare Historical Society’s mission is to collect and preserve records and artifacts relating to the Town of Weare. It aids in protecting historic sites in Weare and encourages the study and appreciation of local history. The Society displays many of its artifacts in its museum in the Stone Memorial building. In addition, the Society plans and organizes Weare’s Old Home Day, presents Humanities Council presentations, and collaborates with the Friends of the Library on the Children’s Christmas Party. The Society is involved in various projects that help to keep our historic buildings standing, such as Weare’s Town Hall, and Clinton Grove. The Society was responsible for all the renovation and restoration to the Stone Memorial Building, including the memorial rotunda.

Exchange Student Host Families Wanted
Weare families, if you have room in your home and space in your heart, please consider serving as a host family for a Rotary International Youth Exchange high school student for the 2019-20 school year. The young woman is being sponsored by the Henniker Rotary Club, hails from Eastern Europe, and speaks English. She will be enrolled as a junior at John Stark and live with two or three host families between mid-to-late August - June. Families with children in Weare schools are encouraged to apply.

Essentially, she would become like a daughter to you and a sister to your own children while in your home. You would provide the same for her as you would your own, although the Rotary Club provides some assistance for the student. Exchange students in this Rotary program are prohibited from driving, so transportation would be part of their needs. Several Henniker Rotary Club Members can also help with transportation.

If you would be interested in this opportunity, please contact Lisa Hustis, Henniker Rotary Youth Exchange Officer, at ehustis@comcast.net or call or text her at 603-491-7065.
