New Dean at CWUES
Allison Peterson has been appointed as the new Dean of Teaching and Learning for Center Woods Upper Elementary School, beginning July 1.

Allison Peterson has been the Academic Director of Scotland Storm Community Development, a 501(c)(3) nonprofit that provides free after-school and summer academic and sports programs for children in Potomac, Maryland. Scotland Storm’s staff directory touts Peterson’s experience with differentiated instruction and different learning styles.

Peterson was also an Instructional Coach at Johns Hopkins School of Education in DC for the past two years. Prior to her current position, she has been a principal, assistant principal, and teacher at public schools in both Maryland and Connecticut.

Mrs. Peterson is a graduate of Clark University in Worcester, MA, and holds a Master of Arts in Teaching and a 6th Year Certificate of Advanced Studies in Educational Administration and Supervision from Sacred Heart University in Connecticut.

Mrs. Peterson and her husband, who recently retired from the federal government, are moving to New Hampshire to be closer to family. They have an adult daughter who is an attorney.

Community Coffee: The US Census is Hiring!
Thursday, June 6, 10am, Weare Public Library
The U.S. Census Bureau is recruiting thousands of people across the country to assist with the 2020 Census count. Phil Daley from the US Census Bureau will join the Weare Public Library’s monthly Community Coffee to talk about employment opportunities and what it takes to make this Constitutionally-mandated count here in New Hampshire. The NH office is looking for several positions, including census taker, recruiting assistant, office clerk, and supervisory staff, and is advertising positions at $13.00-$16.50 per hour. If you are looking for temporary employment, or know someone who might be, come and hear about this opportunity to make some extra money, while helping your country and your community. The census affects nearly every aspect of government, including the distribution of federal funds, and is vital to research and social services as well. Current low unemployment may be a challenge for completing an accurate census, so ensuring that positions are filled will benefit everybody. And, of course, the first Thursday of the month is always a great time to share a cup of coffee, a little snack, and some good local talk with your fellow community members.

Magical Creature Visits Patriotic Celebration
New Hampshire Unicorns will make their first appearance at Weare’s Patriotic Celebration from 11:30am-1:30pm on Saturday, June 22. Situated in Barnstead, NH Unicorns travel all over for parties, photoshoots, weddings, and other events. They plan to bring Tula, the Head Unicorn for NH Unicorns, who is described as, “Regal, delicate and feminine with her striking blue eyes.” She was the original Unicorn at NH Unicorns. She has starred at photoshoots, parties, and even weddings. She is also a certified Therapy Animal. At a petite three feet tall, she is not suitable for riding, but will be available for meet and greets and photo opportunities. NH Unicorn’s motto is “Let us make your event magical!” It boasts four animals, two of which are certified Therapy Unicorns. The unicorns often accompany “Princesses” to events. Learn more about this unique organization at nhunicorns.com.

Weare Students Earn Academic Honors
Southern New Hampshire University (SNHU) congratulates Weare students Grace Sargent, Casey Morrison, Jason Innerfield, Jake Silva, and Kurtis Wilson on being named to the winter 2019 President's List. The winter term runs from January to May. Eligibility for the President’s List requires that a student accumulate an academic grade point average (GPA) of 3.7-4.0 and earn 12 credits for the semester.

Ryan Waterman and Victoria Rizzitano of Weare have been named to the Winter 2019 Dean’s List at Southern New Hampshire University. The winter term runs from January to May. Eligibility for the Dean's List requires that a student accumulate an academic grade point average (GPA) of 3.5-3.699 and earn 12 credits for the semester.

Lindsey Brown, Class of 2020, has been named to the dean’s list for the spring 2019 semester at the University of Vermont. Brown is majoring in Biochemistry in the College of Agriculture and Life Sciences. Dean’s list honorees must have a grade-point average of 3.0 or better and rank in the top 20 percent of their class in their respective college or school.

Tyler Keim of Weare graduated from Paul Smith’s College in May 2019. Keim earned a bachelor’s degree in Fisheries and Wildlife Sciences Wildlife from Paul Smith’s, located in the Adirondacks in upstate New York.

Weare students were among the graduating class from the University of New Hampshire in May 2019. Graduating summa cum laude, with a GPA of 3.85-4.0, were Casey Poirier, with a BS degree in Biology, and Jillian Kilar with a BS degree in Nursing.

Graduating magna cum laude, with a GPA of 3.65-3.84, were James Smugereski with a BS degree in Business Administration: Finance, Stacy Kenney, with a BS degree in Communication Sci & Disorders, and Donovan Lofaro, with a BA degree in Psychology.

Graduating cum laude, with a GPA of 3.50-3.64, was Riley Boss, with a BA degree in Anthropology.

Samantha Valcourt graduated with a BS degree in Wildlife & Conservation Biology. Erik Baumann graduated with a BS degree in Biomedical Science: Medical Laboratory Science. Cameron Henry and Kyle Kolehmainen graduated with BSBE degrees in Bioengineering. Benjamin Henry graduated with a BSME degree in Mechanical Engineering.

Tyler Keim of Weare has earned a bachelor’s degree in Fisheries and Wildlife Sciences Wildlife from Paul Smith’s College, located in the Adirondacks in upstate New York.

Stop Charging Phones in Public Ports
Jeff Jackson, President/CEO, Summit Computer Services
Imagine your phone is dying, but you’re not home, and you really can't be without it. So, you hunt for the nearest outlet or charging station to refill. We've all been there, and while this recharge seems harmless, there are concerns you should be aware of when charging your device in public.

Know the dangers of charging your device in a public port, and some safe alternatives for when your battery needs a recharge. If a port is compromised, there’s no limit to what information a hacker could take. Instead of charging your device in public, invest in a portable USB battery-pack.

Summit Computer Services LLC is a Weare business providing managed IT services, network security, cloud computing, and VOIP services. www.summitcomp.net or (603) 513-1805.

25th Annual Town Wide Yard Sale
Saturday, June 1, 8am–2pm, Rain or shine
Maps ($2) available at the Stone Memorial Bldg
4 N. Stark Hwy in the center of town
The Town Wide Yard Sale is sponsored by the Weare Historical Society. The Historical Society raises funds through: selling space on the map and space at the Stone Memorial Building lawn, or at the Middle School if it rains, and then selling the maps. The Weare Historical Society has a space on the lawn and raises money from the donations members and others have made to their yard sale site. Please, if you are having a yard sale on that day, pay your fee and get on the map. It will draw more people to your sale, and help support the organization that has done a great deal of work to bring people into town that day. To be on the map, fill out a form available online at warehistoricalsociety.org, or at the Weare Public Library, Town Office, and Post Office.
Wanted: Donation of items for the Weare Historical Society to sell during the Town-Wide Yard Sale on June 1. If you’d like to donate, please contact Terri (529-0425) or Sherry (529-3896).
