Make Your Own Fairy Houses
Thursday, July 25, 6:30pm, Weare Public Library
Do you like the magic of fairies? Do you enjoy nature? How about bringing both to your home! Liz Beaule, who has been building fairy houses all her life, will teach you and your family the magic of fairy folklore and how to build a fairy house! Some supplies will be provided but we encourage you to bring your own container. These can be anything from an old tea cup to a terra-cotta pot. You can also bring objects from outside your home or found objects in your home to use for your fairy house. Let your imagination run free! The Summer Reading Program is into its final stretch, but there is still time to make some magic.

For all ages, but please be aware that younger children will need assistance and should be accompanied by an adult.

Anime Movie: “Spirited Away” (PG)
Monday, July 29, 6:30pm, Weare Public Library
Hayao Miyazaki’s classic fantasy adventure is the keystone of all anime. Anime is the Japanese word for animation, and it refers to animated films made in Japan, or in the Japanese style. The form itself goes back as far as 1917, but has risen in popularity since the 1960’s.

Ten-year-old Chihiro Ogino wanders into a world ruled by gods, witches, and spirits, where humans are changed into beasts. The film makes strong references to Japanese Shinto-Buddhist folklore; it takes place in a spirit world, separated from ours, in a Japanese bathhouse where a great variety of Japanese folklore creatures congregate.

Spirited Away was the first anime film to be nominated for, and win, an Academy Award, Best Animated Feature, making it the first, and so far only, hand-drawn and non-English-language animated film to win that award.

This program is for ages ten and up.
