Investing in a Low Interest Rate Environment
Thursday, Oct. 10, 10am
Weare Public Library
With the Federal Reserve cutting interest rates for a second time in eight weeks, navigating the risks and uncertainties of an extended low rate environment can be challenging. Join Elizabeth Salas Evans from Cayena Capital Management for an in-depth discussion on interest rates, and global factors that influence what interest you earn locally.

Cayena Capital Management, LLC is a registered investment advisory and investment management firm, with a family office located in Weare.

Household Hazardous Waste Day
Saturday, October 12, 8am–2pm
Weare Transfer Station, 225 Merrill Road
The Weare Transfer Station will be holding another Household Hazardous Waste Day. For further details, please call (603) 529-2469.

Attention Voters
Town Clerk Maureen Billodeau advises that October 25th is the last time registered voters may change their party affiliation at the Town Clerk’s Office prior to the Presidential Primary. Voters may choose to be undeclared, and the Secretary of State’s website notes that an undeclared voter may vote in a state primary or a presidential primary. You will be required to choose either a Republican, Democratic, or Libertarian ballot when you go to vote. Voters can check their party on: https://app.sos.nh.gov.

Chili Night (and Cobbler!)
Sponsored by The Weare Democrats
Friday, October 25, 5:30-7:30pm, Old Town Hall
If you enter a crockpot of chili or a tasty cobbler, you get in free! Sample and vote! The chili with the most votes wins a prize. Let us know by October 19 if you want to donate chili or cobbler. Contact Debbie at dskf@mygsc.com.

Free Dental Work for Veterans
Henniker Family Dentistry will once again offer Veterans Appreciation Day, Saturday, November 9, for local veterans. They will be offering exams, x-rays, preventative care, cleanings, fillings, and oral surgery. Call the office at (603) 428-3419 to reserve your appointment today! Henniker Family Dentistry is located at 144 Hall Avenue in Henniker. www.hennikerfamilydental.com.

Senior Weare-ites Luncheon
Tuesday, October 15, 12noon, Makris’ Restaurant
For more info, call Pat at 529-2259.

Police Present Plans to CIP By Tom Clow
The CIP Committee finished meeting with the town’s department heads on October 1, with a presentation by Chief of Police Christopher Moore. In the documents submitted to the CIP Committee, Chief Moore outlined an asset life cycle program he feels will ensure that acquisition costs are dispersed proportionately to ease the financial burden to taxpayers. The program involves three phases: acquisition, useful life, and disposal.

For 2020 the Police Department is requesting the purchase of two vehicles; a Chevrolet Tahoe and a Chevrolet Silverado Crew Cab. The Tahoe will replace the 2013 Ford Explorer, which will be repurposed as the ACO (Animal Control Officer) vehicle. The present ACO vehicle, a 2008 Ford Crown Vic is inoperable and will be sent to the state auction. The Silverado will replace the 2008 Ford Taurus which is presently used by the Police Chief. The Taurus will be sent to the state auction in 2020.

Chief Moore provided extensive documentation on the successful use of both the Tahoe and the Silverado as police vehicles, as well as his reasons for the department needing a pickup truck. The Chief emphasized the improved ergonomics in the Tahoe over the present Dodge Chargers and how that relates to officers’ health and safety as well as compliance with OSHA guidelines. CIP committee members were invited outside to sit in a Charger and to view the limited trunk storage space.

The CIP Committee was scheduled to meet again on October 8 to rate the requests from all departments to prepare a report for the Planning Board, Board of Selectmen, and Finance Committee, in that order.

Wednesdays, 4:30-7:00pm at the Town Office Building.
Nicole Mathis learns about the controls on the skidsteer with Chris Autor with the Milford, NH, Department of Public Works.

John Stark at NH Career in Construction Days

More than 40 John Stark Regional High School students spent the day at the 11th Annual New Hampshire Construction Career Days held September 26 and 27 on the Hillsborough County Fairgrounds. Students traversed the fields and barns to see the more than 100 exhibitors and sponsors and try their hand at heavy equipment operating, welding, carpentry, and more. Construction Career Days is a non-profit organization devoted to promoting the construction industry to New Hampshire’s Youth.

"I cannot stress strongly enough how valuable this event is for our students," said JSRHS Tech Ed Teacher Joab Owen. Owen has taken a group of John Stark students to Construction Days for the last five years. "It opens up a whole range of opportunities for career paths students may not have thought about before or even knew existed. It also can be a huge confidence booster for others. Every year, there’s a student who reluctantly climbs into a big piece of equipment and finds that they can do it. It's wonderful to see a student beaming about their accomplishment."

Tech Ed and John Stark Connections students attended the field trip to NH Construction Career Days.

Movies Coming to the Weare Library

Reserve at the library or online at weare.biblionix.com
Login is your library card number, password is your phone number, no dashes. Call the library at 529-2044 if you need assistance, or stop by the library desk.

December:
Game of Thrones: Season 8 (Peter Drinklage)
The Goldfinch (Nicole Kidman)
It, Chapter Two (Bill Skarsgard)

Business Notes:

Welcome back to – Design Advice
By Elizabeth Balestrero

As promised, I will introduce you to design principles, or guidelines as I like to think of them that will help you transform any space into magazine fabulous! You know that feeling you get when you walk into a well-designed room, well, you can achieve that same effect in your own home with a little direction from these basic design principles. Let’s get started!

Balance creates a feeling of symmetry. It is created through shape, color, pattern, and texture.

Rhythm is all about creating patterns of repetition and contrast to create visual interest. Rhythm = excitement.

Harmony is created when all the elements act together to create a unified message. Harmony = a sense of tranquility.

Emphasis is the anchor. It is your point of interest such as a fireplace or a window with a view. You choose to enhance these points of interest by arranging your furniture around them. If your room lacks these points of interest, you can create one through groupings of furniture or by using an unusual or large piece.

Portion is the ratio between the size of one part to another.

Scale is how the size of one object relates to another.

These elements should be viewed as moving parts, and when combined, they tell a beautiful story. So, don’t be bashful - if you have any questions that you would like answered or if you have a design dilemma that you need help with email wearepl@comcast.net. Until next time...Love where you live.

Lullabye of Broadway
Singers' Production
Friday, October 11, 7pm
Deering Community Church
763 Deering Center Road, Deering
Free Admission, (603) 464-5643
Deering Community Church invites you to come enjoy familiar songs from our favorite Broadway Musical Shows: Fiddler on the Roof, Sound of Music, Hair, My Fair Lady, Westside Story, Music Man, Man of La Mancha, Oklahoma, Godspell, and others! A star-studded cast of singers with whom you are familiar, as well as new ones, will present these as solos and as an ensemble in a simulated stage setting. This is to be an evening to bring back our fond memories of tunes from the past that remain with us forever! Admission is free with donations most appreciated.
