Officer Joins Weare PD  By Tom Clow

Leland Hunter, the newest member of the Weare Police Department, is a certified officer who has worked for the Hillsborough County Sheriff’s Office since 2015 and is a graduate of the New Hampshire Police Academy. He grew up in Nashua and graduated from Nashua High North in 2007.

When asked why he was making the change from the Sheriff’s Department to the Weare Police Department, Hunter said he wanted something where he would be more engaged in the community. He said that he was familiar with Weare because several members of the Sheriff’s Department live in town and referred to it as a place where people look out for each other. He also knew several Weare officers and knows that they want to be a positive force in the community.

Officer Hunter will be a welcome addition to the department. At a gathering at the Weare Library on October 3, Police Chief Christopher Moore, said that he was down to just five active patrol officers. Two officers left to join departments in Antrim and Nashua in 2019.
